Agenda Item 3 (a)

MATTERS RELATING TO COMMITMENTS

FIRST REVIEW OF INFORMATION COMMUNICATED BY EACH PARTY INCLUDED IN ANNEX I TO THE CONVENTION

Status of submissions of first communications from Annex I Parties

Note by the interim secretariat

1. Under Articles 12.5 and 4.2(b) of the United Nations Framework Convention on Climate Change, each developed country Party and each other Party included in Annex I shall make its initial communication to the Conference of the Parties within six months of the entry into force of the Convention for that Party.

2. It should be recalled that the fiftieth instrument of ratification 1/ of the Convention was received by the Depositary on 21 December 1993. Thus, in accordance with Article 23.1, the Convention entered into force on the ninetieth day after the date of deposit of the fiftieth instrument of ratification, that is, on 21 March 1994. Therefore, on that date, each State or regional economic integration organization included in Annex I that had ratified the Convention on or before 21 December 1993 became a Party to the Convention. Accordingly, as Parties to the Convention, they are required to make their initial communication within six months of 21 March 1994, namely, on or before 21 September 1994. Any State that had not ratified the Convention on or before 21 December 1993 is required to make its initial communication within six months of the entry into force of the Convention for that State.

3. The following table contains information concerning the status of submissions of the first communications from those countries and the regional economic integration organization included in Annex I. For each Annex I Party that has ratified the Convention, the table lists the date of ratification, the date of entry into force of the Convention for that Party, the date the first communication is due from that Party, and the date the first communication was submitted by that Party.

4. This document will be updated periodically.
